Fourth , Scientific supervision and participate in discussions on postgraduate students:

Supervised on post graduate students and participated in many of the discussions inside and outside the university

No.	Thesis Title	Department	Year
1	Studying the opposite effect of some plant extracts on parasite <i>Entamoeba histolytica</i> in experimentally infected mice	Biology	2012
2	Study of some biochemical and physiological parameters in coronary Atherosclerosis patients in al-muthanna province	Biology	2013
3	Molecular Detection of AmpC gene families Encoding for Antibiotic Resistance among <i>Escherichia coli</i> isolated from Patients with Urinary Tract Infection (UTI) in Al-Najaf Hospitals	Biology	2013
4	Study the biological effect of <i>Punica granatum</i> and <i>Thymus vulgaris</i> extracts on parasite <i>Giardia lamblia</i> in experimentally infected white mice Balb/c	Biology	2013
5	Molecular and immunological Diagnosis of <i>Toxoplasma gondii</i> in Pregnant and Abortive Women in Al- Muthanna province	Biology	2014
6	Genotyping Study For <i>Giardia lamblia</i> Parasite in Human	Biology	2016
7	The effect of aqueous extract of some fruit peels on microorganisms that cause diarrhea <i>in vitro</i> in Samawa and Rumaitha court	Biology	2016
8	Study Of Comparison Between Traditional Methods And Molecular Diagnosis Of Cutaneous Leishmaniasis In Al-Muthanna Province	Biology	2017
9	Study of age, growth and parasites of two fish species in Euphrates river passing through Al-Qadisiyah and Al-Muthanna provinces	Biology	2018
10	Immunological and Molecular Study for Women Infected with Trichomonosis in Al-Muthanna Province	Biology	2018

Fifth, Conferences

N	Conferences Title	Year	Place
1	International Conference for the Development of Marine Resources	2002	ALmahari Hotel – Libya
2	the International Conference on Health	2008	Khartoum – Sudan
3	Third International Scientific Conference	2012	College of Veterinary Medicine, University of Basra
4	The third Specialist conference	2012	Faculty of Sciences - University of Al-Muthanna
5	International Oncology Conference American Society of BioMedicine	2016	College of Medical - University of Al-Muthanna
6	Twelfth scientific conference.	March-23 – 24 2017	college of Medicine AL-Mustansiriyah University -Hold at Palestine Hotel – Baghdad
7	The 4 th international conference of IRAQI Society of Obstetrics and Gynecology	5 th -7 th of April - 2017	IRAQI Society of Obstetrics and Gynecology- Babylon Hotel
8	Conference to evaluate the performance of scientific departments, divisions and units	15/ 2/ 2017	College of education for pure science - University of Al-Muthanna
9	International Conference on Education in Mathematics , Science & Technolog(ICEMST)	18-21/5/ 2017	IOWA STATE UNIVERSITY(United states)- Pine Bay Ephesus kusadasi
10	International Conference on Research in Education and Science (ICRES)	18-21/5/ 2017	IOWA STATE UNIVERSITY(United states)- Pine Bay Hotel Ephesus kusadasi
11	Second Comparative Assessment Conference of the College of Education for Pure Sciences for academic years 2016-2017, 2017-2018	4/ 3/ 2019	College of education for pure science - University of Al-Muthanna

Sixth , Outstanding scientific activity and cooperation with local and international institutions :

- 1- Recording in GenBank: KU378620.1 - KU378639
Giardia intestinalis isolate A,B,E,F (1,2,3,4,5) triose-phosphate isomerase (tpi) gene, partial cds-
AUTHORS AL-Turki,N.M., Mallah,M.O. and AL-Asadiy,Y.D.
- 2- valuation of a number of scientific research of the promotion committees
- 3- Presenting many proposals on the book titled (Five hundred questions and answers in Parasitology) - College of Education for Pure Sciences / Department of Life Sciences / Diyala University 2016
4. Cooperation with the American Cradf global Foundation for a chemical security grant 2016-2017

Seventh, Local and international training courses

- 1- Training Course on the preservation of animals natural History Museum- Baghdad University 1995.
- 2- Training Course in the diagnosis and classification of fish, University of Baghdad –1996
- 3- Training Course in Introduction to Computing e and the system of windows 1996. In the College of Education, Ibn al-Haitham - Baghdad University.
4. Training Course in Word and Excel system
5. Laboratory safety course on hazardous and toxic chemicals and biological substances for the period from (05/23 to 05/27) - Faculty of Pharmacy - Near East University , Lefkosa North Cyprus 2011.
6. Training Course on QS - College of Nursing- University of Al-Muthanna – 2014.
- 7.Participation in the course (How to protect yourself from diabetes) held at the College of Nursing on 11-14 / 2017
8. Participation in the course of the use of Eliza technology, which was set up by Baghdad University / Faculty of Science / Research Unit for the Biology of the warm zones for the period from 12/4/2017 to 13/4/2017

Eighth, seminars ana Workshops

1. Attend a seminar entitled (drugs - cancer that affects the body of the community- 2012. Muthanna University Faculty of Science.
2. Attend a Down syndrome- 2012. Muthanna University Faculty of Science.

3. Attend a workshop on the work of the exam committees in 2015 - Muthanna University Faculty of Science.

4. lecturer at a workshop entitled (bio, chemical and nuclear and radiation safety and security(**CBRN**) (University laboratories) on Wednesday, 16- 12- 2015 - University of Muthanna - the title of the lecture ecological risks - Mutanabi Hall - College of Basic Education

5 attend a workshop on self-evaluation of the College of Education for Pure Sciences - University of Muthanna in the college building - on Monday, 10/17/2016

6. attend and participate in a seminar on bio-diversity in the desert of Al- Muthanna province on Tuesday, 12/27/2016 - Mutanabi Hall - College of Basic Education

7. attend and participate in a workshop on e-mail (email) in College of Education for Pure Sciences Building on Tuesday, 10.01.2017. Lecturer m. Murtada Mohammed

8.attend and participate in a workshop about the SPSS program. in College of Education for Pure Sciences Building on Tuesday, 17.01.2017.

9 . Attend and participate in the discussion in educational lecture titled first aid in the College of Education Sciences Pure building on Monday, 27/2 /2017

10.A seminar on "Medical Mathematics" presented by Mr. M. Murtada Mohammed Abdul Kadhim and Ms. Amal Karim Aliwi on Monday, 6/3/2017 in Hall No. (6). In the building of the College of Education for Pure Sciences.

11- Attending the Youth Empowerment Workshop in collaboration with Muthanna University and the National Endowment for Democracy (NED) on Monday 6/3/2017 in Hall 9. In the building of the College of Education for Pure Sciences

12- Attend a scientific symposium on drug addiction. The lecturer dr. Ibrahim Pharaon. Tuesday, 7/3/2017 in the computer lab. In the building of the College of Education for Pure Sciences

13 - Attendance and lecture entitled (extremism, political violence and terrorism). The Lecturer Amer Naji. On Tuesday 7 March 2017 in Hall No. 9. Established by the Department of Mathematics in the building of the College of Education for Pure Sciences

14 - Attendance and lecture entitled (extremism, political violence and terrorism). The Lecturer Amer Naji. On Tuesday, 14 March 2017 in Hall No. (6). Established by the Department of Life Sciences in the building of the College of Education for Pure Sciences

Nineth,Committees

1. Chairman of the control of hazardous chemicals and toxic. by the university order with the number 241on 25/11/2014

2. Participation in several committees to discuss of postgraduate students projects

3. Participation in committees to discuss graduation projects

4. Member of the Committee of conformity by the university order NO. 8169 on 19/10/2014
5. Chairman of the Subcommittee in the Department of Biology and member of the Central Educational Guidance in the College of Education for Pure Sciences by Administrative Order No. 1278 on 19 - 10-2016
6. Chairman of the clearing in the Department of Biology by Administrative Order No. 1622 on 7-12-2016
7. Chairman of the committee of inventory of equipment, supplies and laboratory materials according to administrative order 1606 on 7/12/2016
8. Committee to ensure the quality of laboratories in the Faculty of Education for Pure Sciences official by administrative order with the number 11 on 02/01/2017
9. Chairman of the performance of the College of Education for Pure Sciences for the academic year 2015-2016 evaluated by a number of Administrative Order 140 on 19/01/2017
